Unicorn Dreams Blanket ... Unicorn Face Square

When attaching the features try to go through the front loops only of the square so the stitches are not seen through the back.

Pin ears and horn onto square as in photo. Only sew the bottom third of the ears on so that the tips raise off the square.

Twist the hair strands so they curl around. Sew the strands on with a few stitches so they are in front and behind the ears. Do not sew the ends down so they curl up naturally.

Sew the heart cheeks on 2 rows up from the bottom of the square. I used black cotton double stranded to make the eyes. Sewing a triangular shape with 3 lines for the eyelashes.
