Follow above pattern using the following colour changes.

Row 1 & 2. Lemon

Rows 3. White

Row 4-6. Candyfloss.

I used a small amount of Fondant (darker pink) to do the lines in the centre of the flower.

### **Leaf -Use SPRING GREEN and 4mm hook. Make 2**

1. CH8. (In 4th CH from hook work 8DC). 1DC, 1HDC, SC, in last CH (SLST, CH2, SLST). Working down the other side of the CH , SC, HDC, DC, (8DC in the same space as the 1st group of 8DC). SLST to top of 1st DC made. Fasten off leaving a long tail to sew the leaf onto the square.

### **Making Up.**

Sew pansy onto square diagonally with centre of pansy lined up with centre of square. Sew leaves on each side of the pansy slightly tilting downwards. See photo for example. Only sew through the front stitches of the square so that no stitches show through the back of the square.
