Cheeks - make 2. Use a 3mm hook and CANDYFLOSS yarn.

2. (CH1, 2SC), (2SC) in each ST around. SLST in 1st SC to join. Fasten off leaving a long tail to sew cheeks on to the cloud. (10sts). Sew cheeks onto the cloud so that the bottom of the cheeks are 2 rows from the bottom of the cloud and the sides are just touching the side of the curved stitches.

Using black yarn, insert needle in the 6th Row above the cheeks, skip 2 stitches and thread yarn back through. To make the eyelashes bring the needle through the middle of the black yarn and go back down in the stitch below to anchor it. Repeat twice more. Repeat for the other eye.

For the mouth sew a line 2 stitches apart between the cheeks. Again, thread the needle back through the middle of the mouth, and into the stitch below to secure a smiley mouth. Fasten off and cut yarn.

Sew Cloud onto square so that the bottom of the cloud sits on the start of round 2. Try to sew through the top stitches of the square so that no white yarn is seen at the back of the square. Sew on raindrops in a staggered effect like in the main photo.
